Billy Cathole's

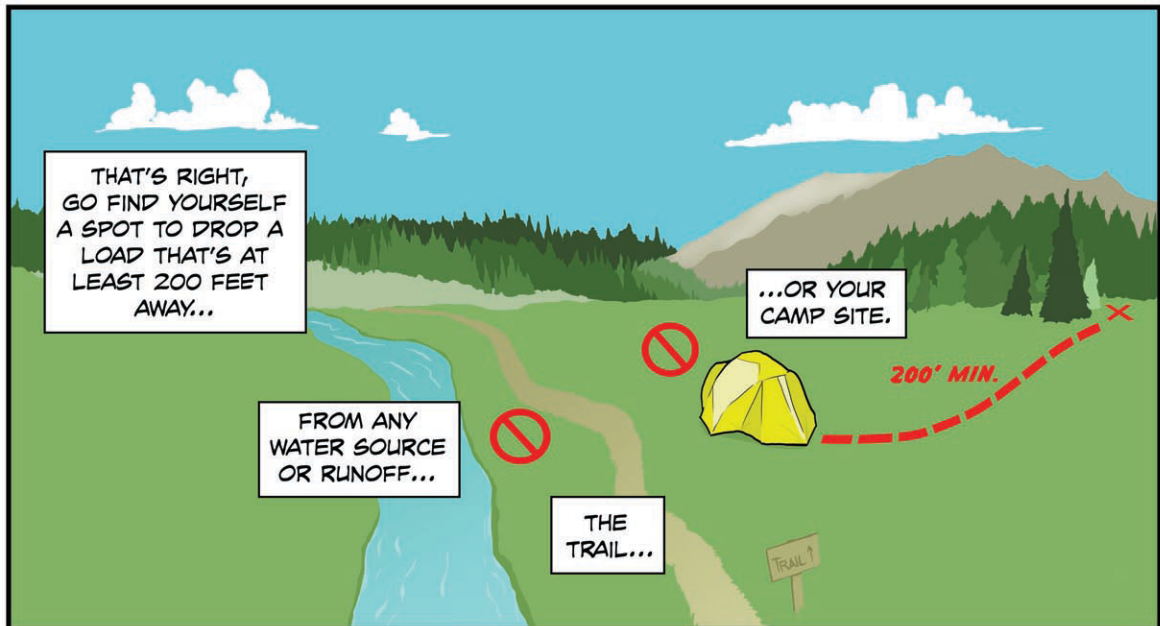

GUIDE TO
DROPPING A DEUCE
IN THE WOODS

by Keith Stone

FIND A SPOT TWO HUNDRED FEET AWAY!

GET YOURSELF SOMETHING TO DIG WITH, LIKE THIS TROWEL. YOU CAN ALSO USE A STURDY STICK OR TENT STAKE. WHATEVER WORKS.

NOW, DIG YOURSELF A NICE CATHOLE.

DIG THAT SUCKER 6 TO 8 INCHES DEEP AND 4 TO 6 INCHES WIDE.

IT'S JUST GOOD CLEAN FUN, YALL. NOTHIN' WRONG WITH THAT.

HELP YOURSELF OUT BY DIGGING YOUR HOLE BY A TREE YOU CAN HOLD ON TO...

OR BY A BIG LOG YOU CAN HANG YOUR BACKSIDE OFF OF.

AND SPEAKING OF LOGS...

NEXT, YOU JUST DO WHAT COMES NATURAL. JUST 'TAKE THE BROWNS TO THE SUPERBOWL' RIGHT THERE.

DON'T BE ASHAMED. ALL GOD'S CREATURES DO IT. IT'S PERFECTLY NATURAL, BROTHER.

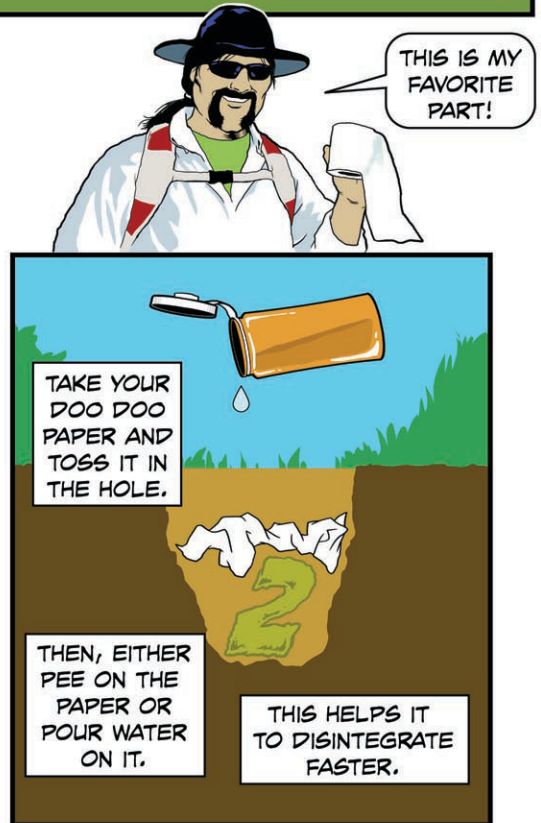

THIS IS MY FAVORITE PART!

TAKE YOUR DOO DOO PAPER AND TOSS IT IN THE HOLE.

THEN, EITHER PEE ON THE PAPER OR POUR WATER ON IT.

THIS HELPS IT TO DISINTEGRATE FASTER.

TRY TO USE *UNSCENTED PAPER. IT'LL BE LESS ATTRACTIVE TO OUR FOREST FRIENDS WHO LIKE THE SMELL OF CRAP LIKE THAT AND MAY WANNA DIG IT UP FOR A GOOD TIME.

DON'T JUDGE ME.

*NOTE: AFTER BEING USED, THE PAPER WILL PROBABLY HAVE SOME KIND OF SCENT TO IT (UNLESS YOU ARE SOME KIND OF MAGICAL UNICORN WHOSE POOP DOESN'T STINK). BY 'UNSCENTED', I MEAN 'BEFORE USE.' OK?

FILL THE CATHOLE BACK UP WITH THE DIRT YOU REMOVED. TRY TO LEAVE THE AREA LIKE YOU FOUND IT, SO THAT NOBODY CAN TELL YOU 'DROPPED THE KIDS OFF AT THE POOL' THERE, IF YOU GET MY DRIFT.

(THAT'S CODE FOR 'POOP'.)

BUT TO MINIMIZE YOUR IMPACT ON THE ENVIRONMENT, THERE'S ANOTHER OPTION, BUT IT AIN'T PRETTY, FOLKS. HERE'S WHAT YOU DO IF YOU REALLY WANT TO 'LEAVE NO TRACE'...

TAKE YOUR USED TOILET PAPER, PUT IT IN A ZIPLOC BAG AND STICK IT IN YOUR BACKPACK. YOU HEARD ME. PACK IT OUT.

LOOK, SOME FOLKS JUST CAN'T HANDLE CARRYING DIRTY POO POO PAPER WITH THEM, AND I DON'T JUDGE YOU FOR THAT. I'M JUST LETTIN' YOU KNOW.

IF YOU HAVE TO PEE
IN THE WOODS, TRY
NOT TO DO IT ONTO
PLANTS...

SOME POOR MISGUIDED
ANIMAL LOOKING FOR SALT
MAY COME AND CHEW IT UP.
(AGAIN, LEAVE NO TRACE).

WHY?
WHY??

AND DON'T FORGET TO WASH
YOUR HANDS AFTER YOU DO
YOUR DIRTY BUSINESS, FOLKS.

IT'S JUST THE DECENT THING
TO DO.

AND THAT'S
HOW TO POOP
IN THE WOODS,
Y'ALL.

AND NOW,
IF YOU'LL
EXCUSE ME...

I'VE GOT SOME
BUSINESS TO
TAKE CARE OF!
